## Đáp án tham khảo (1)

- Câu mở đầu** Well, the book that I want to read a second time is the biography of Steve Jobs, who was a world-renowned entrepreneur and one of the most influential celebrities of this generation. I remember that the first time I read the book was around October 2011, when the book was published soon after the death of Steve Jobs.
- Tác giả** Speaking of the author, to be honest, I can't recall the name since it is not the key point to me, but I do know that the author is a famous journalist who used to work for the *Time* magazine.
- Nội dung** This book summarises the whole life of Steve Jobs. From his childhood to his journey as a grown-up, from his experience at Apple Inc. to his creative ideas to change the world, this book objectively and comprehensively presents to readers who Steve Jobs really was.
- Các lý do** I am longing to read it again for several reasons.
- Lý do 1** Firstly, from this book, I can acquire well-rounded information about this amazing human being.
- Thông tin khách quan** I learnt that Steve was pretty ambitious when he was young; his life goal was to change the world. And I also learnt stories of how Apple's products have transformed and revolutionised our life, from reading to entertainment, from making a call to listening to music. He was such a visionary and a creative genius.
- Thông tin chủ quan** After a closer look at Steve's life, I have to admit that he was really one of the most influential and greatest people of this generation.
- Lý do 2** Besides, I also find that Steve was an inspiring mentor.
- Thông tin khách quan** He quitted university to find what he really loved, and he told us that we should listen to what our heart tells us instead of living other people's lives. Even when he was experiencing the suffering of pancreatic cancer, he would insist on blowing his followers' minds at the Apple's conference.
- Thông tin chủ quan** And his spirit will forever be the foundation of Apple, and personally, he will be my impetus and strength as well.
- Lý do 3** More importantly, I was reading the English version, which is a perfect way to absorb knowledge and improve my language level simultaneously.
- Thông tin khách quan** I learnt numerous useful words, phrases, and expressions. Oh, plus, I would also occasionally listen to an audio version while I was doing something else.
- Thông tin chủ quan** Definitely, my English listening comprehension was developed efficiently as well simply because not only could I improve my reading ability, but I was also able to boost/enhance my listening ability.
- Kết luận** In summary, it seems like I really must read this book again.

- Câu mở đầu** Well, the book I want to reread is called *Lonely Planet*, which is a travel guide-book welcomed by backpackers around the world. It has versions for different countries and regions, covering a variety of information needed by travellers. I can still remember buying my first *Lonely Planet* several years ago, when I was planning to take a trip to Australia.
- Tác giả** When it comes to the author, frankly speaking, I don't think there is only one writer for the whole series of books. The only thing I know is that the *Lonely Planet* has published more than 650 different theme books covering roughly 120 countries.
- Nội dung** This book basically aims to provide trip information for backpackers or other low-cost or tight-budget travellers around all the hot-spot countries. The information covers places of interest, recommendations, travelling tips, indigenous customs, itinerary planning, financial-planning suggestions, etc.
- Các lý do** I am longing to read this book again for a number of reasons.
- Lý do 1** Firstly, I feel that this book is very detailed and accurate.
- Thông tin khách quan** Just as I mentioned, this book offers every aspect of travel information for a traveller, and more importantly, the authors present first-hand experience since they were travellers as well.
- Thông tin chủ quan** As soon as travellers arrive at their destination, they will find themselves pretty familiar with the local situation since they can preview what they are going to see with this guidebook.
- Lý do 2** Besides, this book is very attractive because it is easy to read.
- Thông tin khách quan** Apart from detailed tips, this book is beautifully illustrated, full of high-definition and up-to-date pictures, including hotels, restaurants, zoos, and even street views on typical days.
- Thông tin chủ quan** Readers' interests are greatly stimulated since pictures are more convincing and direct to help people get to know a city.
- Lý do 3** One more to add, this book is pretty handy and light.
- Thông tin khách quan** Since the book is designed in a pocket size; it is easily put into a bag and taken along.
- Thông tin chủ quan** Most importantly, I have always dreamt of taking a round-the-world tour one day, and *Lonely Planet* is certainly my guide during my journeys.
- Kết luận** In short, those are the reasons why *Lonely Planet* is the book I have always wanted to read again and again.
